Somerset's Warm Spaces for Winter 2022-3

1 Please enter the name of your town, city or parish council

2 Please identify a building or area within the parish that could be used as a 'warm space' to shelter members of the public during the winter months

If you can think of more than one, please reflect this in your answer

3 What hours of the day would the spaces (s) be available to use as warm space only? Both the above buildings are booked throughout the day and evening by various groups running activities

4 Would there be any hours in the week where other activities would be in progress but the space (s) could still be used as a warm space?

5 What facilities would be available? (eg toilets, kitchen area?

6 What is the transport accessibility like (eg bus routes, parking spaces)

7 Is it accessible for individuals who are disabled? (eg disabled parking spaces, disabled toilets?

8 What is the maximum number of people the space(s) could hold?

9 Would the space(s) be energy efficient? Are energy-saving features present? (eg insulation, double-glazing)

10 Are there any barriers that would need to be overcome in order to use the space(s) as a warm space?
