## **Sunflower Club at Leigh-on-Mendip First School**

Sunflower Club is an after school club for children who attend the village school. It runs on Tuesdays and Thursdays from 3.15 - 4.40pm.

The session starts with a very popular snack of toast, fresh fruit, and a drink and a chance for the children to relax and chat about their day.

This is followed by an activity of the day which might be sewing, cooking, junk modelling, clay work, collage, games night, mask making and parachute fun to name just a few!

There is a sign up sheet for each session on the notice board in the school hall which also gives details of the activities for the week.

For further details or to book your child a place please contact the school office on 01373 812592.
