**Subject:** Invitation for Feedback - Proposed Development on Land Rear of Ivy Cottage, Leigh-on-Mendip

Dear David

Further to our correspondence in July, my client made arrangements for the attached leaflet to be hand-delivered over the weekend to get some feedback from within the community about the proposal, which will be taken into account before the application is submitted to the Council.

In the unlikely event that you hear of someone who has not received the leaflet, please let me know and we will make contact with them.

Kind regards

Matt
