MAINTENANCE WORK ON GREAT HOUSE FARM BRIDGE

Dear Anthea

As part of our Routine Maintenance programme to assess the condition and strength of all Structures in the County of Somerset, a recent inspection revealed the above named structure requires de-silting and minor repair. We have arranged for a contractor to carry out the necessary works and would hope to commence all being well in early April 2017. The works should be completed within 3 weeks of them commencing.

2 way traffic lights on Hollybush Lane will be required to enable the contractor to carry out the work safely, this may cause short delays.

I hope these necessary works will not cause too much inconvenience. Should you require further information please do not hesitate to contact me.

Yours faithfully

Harvey Roberts-Sprague
