

Leigh on Mendip Arts and Crafts Exhibition 2020

Dear Creative Villager

We haven't let the Coronavirus stop our annual Arts & Crafts Exhibition, but this year it will be a bit different. We are having an on-line exhibition on

Saturday 10th & Sunday 11th October 2020

Instead of submitting your art/craft, just email a photograph of your work to artscrafts.leigh@gmail.com. We will then upload them to a website where they can be viewed.

The usual rules apply:

- A photograph of any item under the broad sense of "arts and crafts" can be entered from needlework to woodwork, paintings to jewellery or anything you have personally created, including photography.
- Exhibitors are limited to those who live, work or take part in activities in the parish and their immediate family i.e. parents, siblings or children.
- Work exhibited in a previous Leigh on Mendip Arts and Crafts Exhibition cannot be accepted, but work shown on-line this year can be exhibited again next year (2021).

There has previously been a demand for more items for sale, so please consider if you have work you would be happy to sell. We will provide the buyer's contact details to the seller, who can then conduct the sale directly. No fee will be charged by the Exhibition Committee.

Your email must include

- Name of the Exhibitor
- Title(s) of the exhibit(s)
- Price(s) (or not for sale)
- If you want to exhibit anonymously
- Attached photo(s) of your exhibit(s)

Emails are to be sent before **Monday 5th October** to artscrafts.leigh@gmail.com

We look forward to hearing from you.

Arts and Crafts Exhibition Committee
