APPENDIX A

LOM PC REPORT OCTOBER 2022

PLANNING

4 Park Hayes – we were successful in changing the Planning Officer’s recommendation to refuse, in support of the PC’s view.

Grove Shute Holiday Lets – The Planning Officer recommended acceptance on the basis that the harm to the landscape was minimal. After discussion with the Planning Board Chair it was agreed that there were insufficient grounds to fight the recommendation.

Leigh on Mendip – application at Quarry Lane for 40 dwellings – Cllr Ham attended the Informal Appeal Hearing on 4th October to support the Parish Council’s objections.
Stoke St Michael – We still have no formal confirmation that the Informal Appeal hearing for the development of 40 houses along Coalpit Lane will be heard in November

Gypsy and Travellers – Mendip have lost their appeal against a site for 9 pitches at Emborough, The Inspector ruled that as Mendip have failed to allocate enough formal sites there are no grounds to refuse. A cross party proposal has been submitted to the Head of Planning to urge them to issue Certificates of Lawfulness to the dozens of acceptable sites already in existence around the District. This would immediately rectify the shortfall and remove at a stroke the risk of random settlements being approved without defence. At Cabinet on 3rd October there was a disturbance when they approved the Public Space Protection Order to provide a simpler means of removing offensive illegal dwellings.

The Planning Board on 12th October approved the application for the concrete products site near Torr Works to provide material for the track bed for HS2. The contract has already been awarded and this will provide some 300 new jobs.

FULL COUNCIL 26th SEPTEMBER

The meeting endorsed the Climate and Ecological Emergency Plan. It still envisages 31 x 450 ft high wind turbines in the District by 2030 with 10 in place by the end of 2023. There was concern that a change in policy on fracking could harm this “delicate and beautiful area” – no such concern was expressed about wind turbines, except by myself. The Plan also envisages that freight emissions will be reduced by a “10% increase in use of waterborne transport”. The real world?

There were three emergency motions. The first was to promote better public transport in Mendip with County support. The second was a requirement to amend planning procedures so that Wessex Water are required to address the impact of major developments on watercourses and treatment works. They were both passed despite multiple objections. The third sought to impose a vegan culture on our local agriculture – this was withdrawn at the last minute without explanation.

Glastonbury – It was announced that the town has been successful in obtaining a Town Deal Grant from the Government of £23M to provide a facelift, improve its attractions and car free routes.

Possible Enforcement Issues

(k) Appeal Ref: APP/Q3305/D/19/3226603, planning application 2018/2779/HSE

Resiting of existing driveway piers and gates at 1 Apple Meadow View, Park Hayes, Leigh on Mendip. The appeal was allowed and planning permission was granted for the resiting of existing driveway piers and gates at 1 Apple Meadow View on 14th August 2019. The proposal was to move the gates and associated piers towards the house and work shall begin no later than 3 years from the date of the decision.

Update Cllr Paula Freeland explained these are due to be demolished in a current application, enforcement would not consider taking any action.

(l) Appeal Ref APP/Q3305/D/19/3226592 planning application 2018/2778/HSEB

Erection of a Juliet Balcony, 1 Apple Meadow View, Park Hayes, Leigh on Mendip. The appeal was allowed and permission granted for the erection of a Juliet Balcony at 1 Apple Meadow View, Park Hayes, Leigh on Mendip on 19th August 2019. "Prior to the balcony hereby approved being brought into use, a 1100mm high guard rail shall be erected for the length of the balcony as indicated on plan 2018/ROWE/04A and shall be fixed and shall be retained for the lifetime of the development hereby approved." **Update** Evidence of balcony use would be required before contacting Enforcement.
