<p>Background Information: Insert as much information as possible so that councillors have the detail that they need in order to make an informed decisions</p>	<p>The depth of the new burial ground is unknown and it was suggested to employ a Gravedigger to dig a couple of test graves to establish whether burials can happen within the new area or whether only interments of ashes can only be buried within the ground.</p> <p>Trotmans Funeral Services recommended a Gravedigger who could carry out the work requested, also upon speaking to him he would also measure the area and provide an estimate of the number of graves / plots that can be accommodated. He has estimated this would take about a day to carry out.</p> <p>If Burials can take place a Tier 1 Risk Assessment will need to be carried out, if only interments of ashes are allowed a Tier 1 Risk Assessment is not required.</p>
<p>Costs: Insert detail of any costs associated with the decision that you are asking the council to make</p>	<p>£500</p>
