Failure of street lighting. This was discussed and it was felt that the delay of eight days before repairs were carried out was unsatisfactory. This was reported to Councillor G Cawood.

Extension of 30 mile an hour speed limit to Townsend was discussed. It was suggested by Councillor G Cawood that it would be advantageous to obtain police backing for this and then a written request for the extension should be submitted.

Notices warning that trespassers will be prosecuted and requesting walkers to keep to the footpath have been installed by the new owners who have also purchased both parts of Cooks Wood Quarry.
