Calling all Christmas creatives!

Leigh on Mendip

Christmas Tree Festival 2026

in St Giles's Church

Saturday 12th and Sunday 13th December

Friends of Leigh Church are delighted to again invite Individuals, families and organisations to decorate a Christmas tree for their annual Christmas Tree Festival.

This year, FOLC will be holding a party at the church for the whole village at 5pm on Saturday 12th December featuring the prize giving, hot food, drinks, festive games for all ages and more! We hope to see as many villagers and their families there as possible.

At the centre of the festivities will be your tree entries. Prizes will be awarded for the most creative and imaginative entries, using natural or artificial trees (battery-powered lights only please).

The church will also be open for tree viewing and refreshments on Sunday 13th December from 10am until 4pm.

Enjoy some festive fun and help us make this much-loved event bigger and better than ever!
