Annual Report from Trustees:

The Trustees Annual Report had been circulated and was summarised by VT. The report outlined our legal status and our objects, policies and organization, and listed the current committee membership. In the report VT reviewed the last year, and expressed her thanks to the committee for all the work they have undertaken to keep the hall running. She highlighted the fact that this year the hall celebrated its 70th anniversary. During the year members of the committee had carried out any necessary maintenance work, and Lally had continued her maintenance of the planters. She drew attention to the fact that (with fingers crossed) the roof did not seem to be leaking at the moment. Bookings are at an excellent level, and many village fund raising events have been supported. She concluded with a request for new members to join the busy committee, and help support this important village facility.

Annual Finance Report:

DP had circulated the accounts for the year 2025/26. He reported that receipts are very busy with an overall increase in income. There had been an increase in expenditure because of the purchase of new curtains and a new front door. He expressed gratitude to the Quarry fund for their help with the purchase of a new cooker. Our energy costs continue to rise with an overall increase of 11% compared to last year.

Election of Committee:

All the committee agreed to continue in their current roles.

Any other business:

There was no other business.
